

PEACE THROUGH UNDERSTANDING WITH PTPI

Founded in 1956 by President Dwight D. Eisenhower, People to People International (PTPI) promotes international understanding and friendship through educational, cultural and humanitarian activities involving the exchange of ideas and experiences directly among peoples of different countries and diverse cultures. PTPI is a nonprofit, based in Kansas City, Missouri, that offers multinational 'people to people' experiences to foster cross-cultural learning, global leadership skills, and connections within an international network of people committed to making a positive difference in the world. PTPI assists in creating, developing, and connecting the global leaders of today and tomorrow by offering international 'people to people' experiences such as travel, homestays, internships, conferences, and forums. These experiences help break down cultural barriers and replace them with cultural understanding.
